FOR THE SOUTHERN DISTRICT OF MISSISSIPPI
SOUTHERN DIVISION**

Bessie Stephens,

Plaintiff,

v.

Northrop Grumman Ship Systems, Inc.,

Defendant.

No. 1:06-cv-00828-LG-RHW

**COMPLAINT FOR INJUNCTIVE
AND DECLARATORY RELIEF AND
DAMAGES**

(Civil Rights-Employment)

Jury Trial Demanded

PRELIMINARY STATEMENT

1. This action seeks injunctive and declaratory relief to prevent continuing, systemic, and unjustified race discrimination by the employer, NORTHROP GRUMMAN SHIP SYSTEMS, INC. (“NGSS”), with regard to the retention, terms and conditions of employment, treatment, and promotion and transfer of Black employees at NGSS, including severe, pervasive, and ongoing harassment of Black employees through longstanding maintenance of a racially hostile work environment. In addition to injunctive and declaratory relief, and all other available equitable relief, plaintiff seeks compensatory and punitive damages.

JURISDICTION

2. This suit is authorized and instituted pursuant to Title VII of the Civil Rights Act of 1964, *as amended*, 42 U.S.C. §§ 2000e *et seq.* (“Title VII”); and Civil Rights Act of 1866, 42 U.S.C. § 1981 (“1981”). Jurisdiction of this Court is invoked pursuant to 42 U.S.C. § 2000e-5(f), 28 U.S.C. §§ 1343 (3)&(4); 28 U.S.C. § 1331 and 28 U.S.C. § 1337. Plaintiff seeks declaratory relief pursuant to 28 U.S.C. §§ 2201 & 2202.

PARTIES

3. Bessie Stephens is a Black employee of NGSS who has been employed by NGSS for over 32 years.

4. NORTHROP GRUMMAN SHIP SYSTEMS, INC. is a business that is engaged in the construction and refurbishing of seagoing vessels, both military and civilian. It is located in Pascagoula, Mississippi. It is an employer for purposes of Title VII. On the basis of information and belief, plaintiff alleges that NORTHROP GRUMMAN SHIP SYSTEMS, INC. is a successor in interest to INGALLS SHIPBUILDING COMPANY.

5. NGSS has received numerous contracts and substantial income from agencies and departments of the Federal Government, and because of the receipt of said contracts and income it is subject to Title VI of the Civil Rights Act of 1964, as amended. NORTHROP GRUMMAN SHIP SYSTEMS, INC., and its predecessor, INGALLS SHIPBUILDING COMPANY, therefore are, and have been, a federal contractor at all times relevant.

EXHAUSTION OF ADMINISTRATIVE REMEDIES

6. All conditions precedent to jurisdiction pursuant to section 706 of Title VII of the Civil Rights Act of 1964, as amended, have been complied with to wit: an appropriate charge of employment discrimination has been filed with the Equal Employment Opportunity Commission, and a notice of right to sue was issued by the Equal Employment Opportunity Commission.

7. Plaintiff has filed a timely complaint based on the time limits contained in section 706 of Title VII of the Civil Rights Act of 1964, as amended.

8. On or about December 20, 2000, the Equal Employment Opportunity Commission issued a determination finding reasonable cause to believe that a racially hostile work environment existed at NGSS.

9. Attempts at conciliation regarding the finding of a racially hostile work environment, which was and is statutorily required, failed.

PROCEDURAL BACKGROUND PRECEDING THIS COMPLAINT

10. An initial complaint was filed in the United States District Court for the Southern District of Mississippi on March 21, 2001, in which eleven (11) persons, named as representative plaintiffs, and the organization, Ingalls Workers for Justice, alleged class-wide discrimination at NGSS on the basis of race. The case was assigned a case number of 1:01-cv-111-(G)-(R).

11. A First Amended Complaint was filed on April 26, 2001 in the initial case, additionally alleging maintenance of a racially hostile work environment at NGSS.

12. A Complaint in Intervention was filed on February 13, 2003 in the initial case, necessitated by the Court's dismissal of the following causes of action and parties from the First Amended Complaint on February 28, 2002:

- a) Dismissal of the class action allegations seeking compensatory and punitive damages;
- b) Dismissal of the claim for relief alleged pursuant to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, *et seq.*;
- c) Dismissal of the claim for relief alleged pursuant to the Thirteenth Amendment to the U.S. Constitution;
- d) Dismissal of organizational plaintiff INGALLS WORKERS FOR JUSTICE;
- e) Dismissal of defendant LITTON INDUSTRIES; and
- f) Dismissal of defendant NORTHROP GRUMMAN.

13. A Second Amended Complaint was filed on April 7, 2003 in the initial case.

14. On or about March 16, 2004, the initial case was reassigned to the Honorable Louis Guirola, Jr., District Court Judge; on December 30, 2004, the Honorable Robert H. Walker, Magistrate Judge, was assigned to be the Magistrate Judge for the initial case.

15. On August 17, 2006, Magistrate Judge Walker entered an order entitled, "Order Requiring Separate Complaints," which, *inter alia*, severed the plaintiffs' claims from one another, and required the filing of new complaints and assignment of new case numbers for each of the individual plaintiffs in Case No. 1:01-cv-111-(LG)-(RHW).

16. At some point during the period of time from August 17, 2006 through September 7, 2006, plaintiff Bessie Stephens' severed action was assigned the case number of 1:06-cv-00828-(LG)-(RHW).

FACTUAL STATEMENT

RACIAL DISCRIMINATION GENERAL ALLEGATIONS

17. The defendant, NGSS, has intentionally pursued and continues to pursue employment policies and practices that constitute systemic discrimination against plaintiff and other Black employees and that deprive or tend to deprive such persons of equal employment opportunities within NGSS. NGSS has intentionally implemented these policies and practices, among other ways, as follows:

- a) By failing to treat Blacks on an equal basis with Whites.
- b) By using selection devices for promotions that have an adverse impact on Blacks, are not job related and have never been validated pursuant to the Uniform Guidelines on Employee Selection Procedures, and have more adverse impact than equally valid alternatives.
- c) By using evaluation procedures in the consideration of employees for promotions that discriminate against or illegally exclude Black employees from consideration.
- d) By failing to provide Black employees with equal opportunities for advancement within the company because of their race. Black employees are denied promotions despite their qualifications and years on the job. It is not uncommon for a Black employee to be denied a promotion at NGSS in an area she or he has worked in for twenty years and then be assigned to train a White employee with less seniority.
- e) By maintaining a double standard in the granting of promotions to White employees vis à vis Black employees. Practices including cronyism, nepotism, word-of-mouth recruitment, failure to post or advertise employment opportunities, and/or the placement of White employees in acting positions have

inured to the detriment of Black employees historically.

- f) By restricting access to employment opportunities for Black employees and maintaining a workforce in which its supervisory and management personnel has been and continues to be predominately White.
- g) By engaging in a policy in which positions are actually filled even before they may be posted or advertised as an available position.
- h) By demoting Black employees at a disproportionate rate as compared to White employees.
- i) By retaliating against Black employees after they have complained or challenged, in any way, the discriminatory policies, procedures, and practices that permeate the work environment at NGSS.
- j) By denying Black employees opportunities to go on trips or sea trials where they would be able to earn substantial amounts of overtime.
- k) By maintaining a practice of “job steering,” resulting in Black employees being assigned to, and then denied the opportunity to move out of, dangerous, dirty, and generally less desirable work areas because of their race.
- l) By instituting and allowing the continuance of a racially hostile work environment for Black employees.

18. This pattern or practice denies the full exercise of rights secured by Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. §§ 2000e *et seq.*, and the Civil Rights Act of 1866, as amended, 42 U.S.C. § 1981.

19. NGSS has been aware that its actions with regard to the treatment of Black employees were and are in violation of federal statutes prohibiting discrimination on the basis of race.

SPECIFIC CLAIMS FOR RELIEF

TITLE VII AND § 1981

20. Plaintiff incorporates paragraphs 1 through 19, as though fully set forth herein.

21. Plaintiff has worked for her over 33 years in one or more of the departments at NGSS utilizing a position entitled “leaderman” or “half-hat.” Based upon information and belief, plaintiff hereby alleges that no formal means of applying for the position of “leaderman” or “half-hat” at NGSS exist; however, plaintiff is aware that numerous White employees have been selected for the position of “leaderman” or “half-hat” without having made any such interest known. However plaintiff has never been selected for the position at NGSS. Plaintiff has not been informed in any way that she was not qualified for the position of “leaderman” or “half-hat.” The means used to determine that plaintiff would not be selected for a work “leaderman” position, for which she was and is qualified, have never been validated pursuant to the Uniform Guidelines on Employee Selection Procedures.

- a) Most recently, in 2005, a White worker from the West Bank became a work leaderman in plaintiff’s department even though he never worked in that department.

22. Plaintiff has never been promoted in spite of plaintiff’s over 33 years at NGSS. Plaintiff has observed both that Black employees are not promoted in spite of their qualifications and seniority as well as the lack of qualifications of White employees who have been promoted, and, therefore, Plaintiff has not applied for promotive positions for which she was qualified, and plaintiff has never been selected for promotion to any such position. The means used to determine that plaintiff would not be selected for a position, for which she was and is qualified, have never been validated pursuant to the Uniform Guidelines on Employee Selection Procedures.

23. Plaintiff has been laid off at times during which similarly situated White co-workers with fewer years of seniority were not laid off. Plaintiff was not informed of the reason why she was laid off while White co-workers with fewer years of seniority were not. Plaintiff’s layoffs under such circumstances include the following instances:

- a) For example, plaintiff was laid off in June 24, 1983, from the position of welder where she was transferred to another department with a concurrent loss of

seniority. She was told by the Union Chief Steward, Maggie Allison that she had been laid off improperly. At that time plaintiff was laid off, plaintiff's seniority in the company was eleven years, and in her previous department was eleven years, but in the new position she had essentially no seniority. White co-workers with fewer years of seniority were not off at that time. Plaintiff returned to work in the position of welder.

- b) Plaintiff was also laid off from the position of welder again in October 31, 1984. At that time plaintiff was laid off, plaintiff's seniority in the company was twelve years, and in the department was twelve years. White co-workers with fewer years of seniority were not off at that time. Plaintiff returned to work in the position of welder.

24. Plaintiff has made her supervisor(s) aware that she desired to receive certain training, including robotic welding in 1998. However, after she was selected for the requested training she was not provided adequate training, while her similarly situated White colleagues were provided adequate training. Furthermore, she was assigned to work on the heaviest hangers for training purposes, to her detriment.

25. Within the relevant time period, plaintiff was not allowed to work overtime when it was given to a White work leaderman who had less seniority than she, and in spite of the fact that she had been doing that particular job all of that week.

26. Plaintiff has been subjected to racial job tracking that assigns Black employees at NGSS at a disproportionate rate as compared to White employees to the most undesirable, dirtiest, and dangerous employment environments in the workplace. Plaintiff has been assigned to such employment environments in the following instances where she was forced to spend a great deal of time welding and crawling on her knees in the holes of various ships.

27. Plaintiff has been subjected to a hostile work environment based on plaintiff's race. Throughout the time plaintiff has been in the shipyard, plaintiff has seen offensive racially derogatory writings, depictions, and/or graffiti in various restrooms. Plaintiff did not complain

at that time because, based on NGSS's historical response, plaintiff believed that the response would be insufficient to remedy the situation. However, NGSS was or should have been aware of the presence of the offensive racially derogatory writings, depictions, and/or graffiti supervisors and others used the same restrooms. Plaintiff has been exposed to offensive racially derogatory writings, depictions, and/or graffiti on a constant basis in a number of places at NGSS. NGSS knows or should have known of the presence of offensive racially derogatory writings, depictions, and/or graffiti in its workplace, but has failed to take steps to prevent or correct promptly its occurrence.

28. Plaintiff has been subjected to a hostile work environment based on plaintiff's race. Plaintiff has been exposed to White personnel using the term "nigger" or other racial epithets, including in jokes, on a constant basis in a number of places at NGSS. NGSS knows or should have known about use of the term "nigger" and other racial epithets by Whites, but has failed to take steps to prevent or correct promptly its occurrence. Such exposure has included the following instance:

- a) On or about June 2005, one of the White employees, Mr. Parker, told a racist anecdote about being a young man throwing watermelons at Black people and yelling the word "nigger" repeatedly. Plaintiff did not complain at that time she was informed of this incident because, based on NGSS's historical response, plaintiff believed that the response would be insufficient to remedy the situation.

29. Plaintiff has been subjected to a hostile work environment based on plaintiff's race. Plaintiff has been exposed to nooses in a number of places at NGSS. NGSS knows or should have known about the presence of nooses, both actual and depicted in drawings, at its workplace, but has failed to take steps to prevent or correct promptly its occurrence. Plaintiff has complained about seeing these nooses, but the response has always been insufficient to remedy the situation. Plaintiff has not complained about each and every instance of having seen nooses at NGSS because plaintiff believed it would be useless to do so, given the historical lack of sufficient response on the part of NGSS. Such exposure has occurred in, but is not limited to,

the following instances:

- a) In 2000, plaintiff observed a noose in the women's restroom in Department. 49 on the East Bank. Plaintiff, or Ms. Hattie Richardson, who was with plaintiff at the time, complained about this situation to John White, who was a supervisor at the time, and the response that was forthcoming was insufficient to remedy the situation.
- b) In or about 2002-2003, plaintiff saw a noose hanging in the Dept. 49. paint shop. Plaintiff did not complain at that time because it was her understanding that another employee was going to report this sighting.

30. Plaintiff has been subjected to a hostile work environment based on plaintiff's race.

The hostile work environment comprises and/or has culminated in the adverse treatment described in paragraphs 20 through 26, incorporated as though fully set forth herein.

31. Plaintiff has been subjected to a hostile work environment based on plaintiff's race. Plaintiff has been and is aware of the fact of presence of offensive racially derogatory writings, depictions, and/or graffiti; ubiquitous use of the word "nigger" and other racist epithets; and nooses at NGSS.

32. Plaintiff has been subjected to a hostile work environment based on plaintiff's race. Plaintiff has been and is aware of the fact that Black employees have not been provided equal opportunity with regard to upward job mobility.

33. The hostile work environment based on race to which plaintiff has been exposed is of a continuing and ongoing nature and constitutes a continuing violation of Title VII and § 1981.

34. NGSS has failed to take steps to remedy and correct promptly the harassing behavior occurring in its workplace. NGSS has failed to promulgate, disseminate, and enforce adequately an anti-harassment policy and failed to provide sufficient training to its employees regarding the same. NGSS has failed to respond sufficiently to complaints regarding the harassment as set forth in paragraphs 27 through 32, incorporated as though fully set forth herein.

APPROPRIATENESS OF EQUITABLE RELIEF

35. Plaintiff will suffer irreparable injury if the declaratory and injunctive relief requested herein is not granted, because NGSS will make employment decisions on the basis of the discriminatory procedures and practices described herein or will not remediate the racially hostile work environment that exists in its workplace. If NGSS is not enjoined from engaging in discriminatory employment practices, plaintiff will be deprived of career opportunities, which plaintiff otherwise would have been able to pursue, but for NGSS's discriminatory employment practices.

36. No plain, adequate, or complete remedy at law is available to plaintiff. The loss of promotional opportunities, experience, and careers with NGSS cannot be adequately compensated by monetary relief. Similarly, the continued subjection to a racially hostile work environment cannot be adequately compensated by monetary relief.

37. Unless restrained by order of this Court, NGSS will continue to pursue policies and practices, which are the same as, or similar to those alleged above.

FIRST CLAIM FOR RELIEF

38. Plaintiff refers to and incorporates by reference the allegations contained in paragraphs 1 through 36 and further alleges for a first claim for relief as follows:

39. Defendant has intentionally failed to provide plaintiff equal employment opportunities by discriminating against plaintiff on the basis of race with regard to treatment and promotions at NGSS. NGSS's unequal treatment of plaintiff and other Black employees and its intentional failure to remedy such unequal treatment violates plaintiff's right to be free from such discrimination under Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. §§ 2000e *et seq.*

SECOND CLAIM FOR RELIEF

40. Plaintiff refers to and incorporates by reference the allegations contained in paragraphs 1 through 36 and further alleges for a second claim for relief as follows:

41. Defendant has intentionally failed to provide plaintiff equal employment opportunities by discriminating against plaintiff on the basis of race with regard to treatment and promotions at NGSS. NGSS's unequal treatment of plaintiff and other Black employees and its intentional failure to remedy such unequal treatment violates plaintiff's right to be free from such discrimination under the Civil Rights Act of 1866, as amended, 42 U.S.C. § 1981.

THE APPROPRIATENESS OF COMPENSATORY AND PUNITIVE DAMAGES

42. Defendant NGSS has caused plaintiff emotional distress and mental anguish as a proximate result of its illegal practices, and plaintiff is entitled to compensatory damages pursuant to the Civil Rights Act of 1991, 42 U.S.C. § 1981a.

43. Similarly, defendant NGSS was aware that its actions with regard to plaintiff were in violation of federal statutes prohibiting discrimination on the basis of race, and therefore, plaintiff is entitled to punitive damages.

PRAYER

WHEREFORE, plaintiff prays that this Court:

- a) Declare pursuant to 28 U.S.C. §§ 2201 & 2202 the employment practices set forth in paragraphs 1 through 33 to be unlawful and in violation of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. §§ 2000e *et seq.* and the Civil Rights Acts of 1866, as amended, 42 U.S.C. § 1981;
- b) Adjudge, decree, and declare that the practices of NGSS complained of herein are violative of the rights secured to plaintiff by Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000e *et seq.* and the Civil Rights Act of 1866, as amended, 42 U.S.C. § 1981;
- c) Issue a preliminary and permanent injunction enjoining NGSS, its agents, successors, employees, attorneys, and those acting in concert with it from engaging in each of the unlawful practices set forth in paragraphs 1 through 33 and from continuing other practices found to be in violation of applicable law;
- d) Direct NGSS to take such affirmative steps as are necessary to ensure that the

- effects of its unlawful employment practices are eliminated;
- e) Enter a permanent mandatory injunction requiring that NGSS adopt employment practices in conformity with the requirements of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000e *et seq.* and the Civil Rights Act of 1866, as amended, 42 U.S.C. § 1981;
 - f) Require that NGSS submit a comprehensive plan detailing how it plans to ensure fair and equitable job advancement opportunities for Black employees. The plan should also outline steps to be taken to ensure that jobs available remain open until the posting period has expired;
 - g) Require that NGSS institute a policy that affords equal opportunities for training and development. The policy should include the requirement that such training opportunities must be announced to the entire workforce as well as a procedure consisting of a rotation scheme and other procedures to ensure that training for job advancement is afforded to all those who are interested;
 - h) Grant equitable relief, including, but not limited to, back pay, sick pay, vacation pay, disability benefits, and seniority rights to plaintiff;
 - i) Grant such punitive, general, and special damages as proved at trial;
 - j) Award plaintiff the costs and litigation expenses of this action and reasonable attorneys' fees as provided for in section 706(k) of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000e-5(k), and the Civil Rights Attorneys Fees Award Act of 1976, as amended, 42 U.S.C. § 1988; and
 - k) Grant such other and further relief as may be just and proper.

DEMAND FOR JURY TRIAL

Pursuant to Rule 38 of the Federal Rules of Civil Procedure, plaintiff hereby demands a trial by jury.
